

Week of April 14

Church in Los Angeles

The whole church will meet together Lord's Day, April 21, at Mission College (same location as two meetings last year). Lord, use this time to advance Your move in Los Angeles.

Ask the Lord to flow out His riches to bring people to Himself and to fellowship in the church life. May He flow out of us to family, neighbors, classmates, work associates, and friends. Our goal is 1000 people participating in the church life in L.A. this year.

Bibles for America

The new Bibles for America website, www.biblesforamerica.org, was launched last week. It includes gospel tracts, videos, and Bible studies that we can use.

May the Lord use this site to reach many more people with free copies of the New Testament Recovery Version and ministry books by Watchman Nee and Witness Lee!

Boston

Ask the Lord to bestow His grace richly in all the churches in North America that all the saints may be full of joy to give (2 Cor. 8:1-2) for the work on the training center. Pray also for rich grace to the brothers working on the building.

European ITERO

Responsible brothers from all over Europe will gather in London April 19 to 21 to review the messages given at the spring 2013 ITERO in Anaheim. The subject is, The Experience, Growth, and Ministry of Life for the Body. Please pray that the Lord's speaking will be received by all the brothers and that all the churches in Europe will be built up as a result.

South Africa

Willem van der Zwan, a co-worker from Holland, is at FTT Pretoria until April 24. May the Lord enrich him and the local trainers to minister Himself day by day in classes and in personal shepherding. May the Lord cause every trainee to be an open vessel.

Blending in Ethiopia

www.abc2013.org has an invitation to and details about the international blending conference July 26-28 in Ethiopia. There are optional tours before and after. A goal is that 800 from Ethiopia attend, along with some from each of the other 16 nations in Africa where the recovery is active, plus 200 from outside of Africa. Pray that this time of blending strengthen the Lord's move in Africa.

Korea

North Korea has announced threats to South Korea and to other nations. Our focus is not the threats, but the world situation should remind us to pray for the Lord's move. May the sense of insecurity caused by North Korea turn many to the gospel. And may the Lord open a door to North Korea for the gospel.
