

Week of March 30

ITERO

The International Training for Elders and Responsible Ones (ITERO) is Friday morning through Lord's Day lunch in Anaheim. The subject is Aspects of the Christian Life and the Church Life Seen in the New Jerusalem. Ask the Lord to release a rich word and to spread it through the attendees to the whole earth. Also ask the Lord for more blending of all the brothers from all the churches, blending that will swallow all differences, all separations, and all opinions.

Life-Study Radio Broadcast in Southern California

The English-language Life-study of the Bible with Witness Lee radio program continues on KBRT 740AM at 11 to 11:30 am Monday to Friday. In addition, beginning on April 6, there will be a one-hour live call-in program on KKLA 99.5FM Christian Radio each week Lord's Day evenings from 9 to 10 pm. Two brothers will take live phone calls from listeners related to any questions or comments they may have concerning the Life-study excerpts that will be broadcast.

Lisbon, Portugal

We had a Bibles for Europe colloquium on March 8. While only one new one came, we had a very sweet blending time and coordination among the saints. This was the first ever colloquium in Portugal, and everyone was happy to be together. We are not discouraged that only one person came.

The lady who came requested a Bible study in her home. We will continue to follow up on other Bible recipients. We have begun having one-on-one appointments with some students and will have a Bible study with one contact in the near future, as well as a phone Bible study with another student. A full page report is at www.churchinlosangeles.org/prayer/.

Please continue to pray that the Lord will:

- work in the Recovery Version recipients and put in them a hunger for Him;
- bless the labor of the local saints and lead them to the most seeking ones;
- raise up a testimony in Lisbon and continue to burden saints to migrate there for this purpose.
