

Week of August 10

Birmingham, Alabama

Praise the Lord of the harvest. He continues to add to us in His time. The number of saints meeting is on an upward trend and is encouraging. A brother finished his medical residency and moved here to join his wife. He got a faculty position at University of Alabama Birmingham. Another brother started medical school here. Pray for these in the medical field. We hope to establish a weekly time of fellowship with them on campus. May the Lord gain many of their classmates and colleagues. We have saints in 5 homes now living around the campus. A very sweet home based church life.

FTT London

Approximately 15 first-term trainees will join the FTTL when the term begins on August 11. Please pray that the university graduates in Europe will respond to the Lord's call to be perfected by Him through the FTTL so that they can become useful vessels for the building up of His Body.

Effect of the European Young People's Conference

Approximately 750 saints, including young people, serving ones, and families, gathered in Poland, from 27 July through 2 August. Please pray that:

- all the young people in Europe will see and be controlled by the heavenly vision that was unveiled to them through the conference messages and the fellowship in the small groups
- the Lord will continue to appear to the young people so that He will gain them to love Him as the most attractive One and to fully consecrate themselves to Him for His good pleasure

European College Training

The training is this week Monday through Lord's Day in London.

Baltic Nations

The Baltic blending conference is Friday through Lord's Day in Latvia.

Asia
