

Week of December 28

God's Salvation, Provision, and Revelation

In Exodus we see that God's building is the goal of His salvation, provision, and revelation. Let us pray for a fuller experience of salvation, for our daily receiving of His rich provision, and for fresh revelation concerning God's desire.

This training is open to all college students and newly-graduated high school seniors. Participants are required to attend full-time. The goal is to impart a vision to the students, equip them with truth, help them in their experience of life, perfect them in preaching the gospel, and develop their character so they can become useful vessels for building up the Body of Christ.
