

Week of June 28

Summer Training

In the winter training we saw the salvation and provision of God bringing us to the kingdom. The result is that we come to the mountain of God where we spend time with Him (as Moses did), He speaks to us, and He shines into us to make us shining. May we be those with unveiled face on top of the mountain in God's glory, not those below, trembling under the cloud.

National College Training, "Come, Lord Jesus!"

The [National College Training](#) is July 12-18 on the University of Illinois campus in Urbana-Champaign (halfway between St. Louis and Chicago). Beseech the Lord to cause everyone who registered to attend this training and to participate fully.

The goal of this training is to raise up a generation of age turners who will bring the Lord back. "Come, Lord Jesus!" (Rev. 22:20)

European Students' Blending Trip to US

Approximately 100 students from Europe have come to attend the summer training in Anaheim and the national college training in Urbana-Champaign, Illinois.
