

Week of July 2

Summer Training

The Summer Training is July 3 to 8 in Anaheim as well as through webcasts in many localities. Ask the Lord to prepare the speaking brothers during their labor on the messages. Also ask the Lord to prepare all who have registered to attend, to be good listeners and absorbers of the word, and active participants in the digestion times.

Increase with Men like a Flock

“Thus says the Lord Jehovah, Moreover for this I will be inquired of by the house of Israel to do it for them; I will increase them with men like a flock.... So will the waste cities be filled with flocks of men; and they will know that I am Jehovah” (Ezek. 36:37-38).

In His recovery by life, the Lord has promised to increase us, filling the waste cities “with flocks of men,” but we still need to inquire of Him, asking Him to do what He desires to do.

College Training

The West Coast South College Training is July 10 to 16 at the Oak Glen. Pray for all registered students to attend and to know, see, and gain more of God. Pray also for the Lord's leading to the serving saints in their preparations. And pray for the students to be brought into function in the gospel.

Four more one-week college trainings in other parts of the country start July 14, 15, or 16.

Summer School (Restaurant) of Truth (SSoT)

The Summer School of Truth, from July 21 to 29, is an appointed time to minister Christ as life and life-supply to those entering 7th to 12th grades. We ask the Lord that as many young people as possible in L.A. could attend; sign up here: <http://www.churchinlosangeles.org/ssot/>.

Please pray: 1) that the young people would, through an atmosphere of love, care and genuine concern, open their mouth, their heart and their spirit to the Lord; 2) that the young people will all have positive companions in the Lord; 3) that the Lord would give light to the serving ones on how to conduct the SSoT; 4) that every young person would receive a personal appearing from the Lord such that the young people would say “Dearest Lord, my flask of alabaster, gladly now in love I break for Thee.”

Germany

We pray that the Lord would grant the local saints His wisdom and leading in their care for the new believers, both German-speaking students and Farsi-speaking saints.

We also pray that the Lord would use the second half of this year to strengthen the building among the local saints that there could be a good foundation in all the churches.

We also ask the Lord to supply the Düsseldorf saints in their practical preparations to receive the migrating saints coming for six months of orientation and language training.

We continue to pray for follow-up with the recipients of the 4,655 German and 140 English NTs distributed at Kirchentag. Please pray that the Lord would gain at least 100 solid, seeking remaining fruits, and for the planting of “church trees” as golden lampstands all over Germany.

A one-page Kirchentag report is at <http://www.churchinlosangeles.org/prayer/>.
