

# Week of March 19

## Experiencing and Enjoying the Divine Dispensing

“That He would grant you...to be strengthened with power through His Spirit into the inner man, that Christ may make His home in your hearts through faith, that you...with all the saints...may be filled unto all the fullness of God.” (Eph. 3:16-19)

“Speaking to one another in psalms and hymns and spiritual songs, singing and psalming with your heart to the Lord, giving thanks at all times for all things in the name of our Lord Jesus Christ to our God and Father.” (Eph. 5:19-20)

The entire revelation in Ephesians concerning the producing, existing, growing, building up, and fighting of the church as the Body of Christ is composed of the divine economy and the divine dispensing of the Divine Trinity into the members of the Body of Christ; thus, the crucial focus of Ephesians is the divine dispensing of the Divine Trinity into the believers.

In chapter 3 the apostle prays that God the Father will grant the believers to be strengthened with power through God the Spirit into their inner man so that Christ, God the Son, may make His home in their hearts, that is, occupy their entire being, that they might be filled unto all the fullness of the Triune God; this is the climax of the believers' experience and participation in God in His Divine Trinity.

Chapter 5 exhorts the believers to praise the Lord, God the Son, with the songs of God the Spirit, and give thanks in the name of our Lord Jesus Christ, God the Son, to God the Father. This is to praise and thank the processed God in His Divine Trinity for our enjoyment of Him as the Triune God. ## ITERO

The Spring 2023 International Training for Elders and Responsible Ones will be held in Anaheim this weekend, March 24 to 26. The general subject is “Knowing, Experiencing, and Living the All-inclusive Christ for the Genuine Church Life.”

Please pray that the Lord will speak a timely word to His whole Body, especially the elders and responsible ones, for the advancement of His economy on the whole earth.

## UCLA Blending Trips

Spring is upon us, and during the academic year this is a time where many college students take the opportunity to visit other localities, blend with the saints, and attend the FTTA short-term training.

Next week, two groups from UCLA will be participating in blending trips. Around 12 saints will travel to Nevada to visit the church in Las Vegas. Another group of nearly 25 saints will remain in LA to blend with a group of more than 30 saints visiting from Berkeley. Please pray that:

- The Lord would sovereignly cover the health, traveling, and weather so that all the saints could enjoy the Lord to the uttermost and none would be hindered from fully participating;
- All the students would get a taste of blending and experience the sweet Body life;
- The saints providing hospitality would be supplied with the Lord as grace as they receive different saints in their homes during this time.

## Bibles for America

In January and February of this year, saints and FTTA trainees participated in a number of gospel trips in cities throughout the US. Many gospel tracts, Bibles, and ministry books were given away on campuses and in communities in each city, and a good number of people were open to follow-up contact.

Please pray that all the Bible and book recipients would be enlightened and nourished by the interpreted Word of God. Pray also that the local saints would be strengthened to shepherd these contacts into the enjoyment of the riches of the ministry.

## Ukraine

Please continue to pray for the saints in Russia and Ukraine to be kept in the oneness of the Body and the reality of the new man, where Christ is all the members and in all the members, and for the preservation and shepherding of all the saints in their tripartite being.

A reminder from the footnote on 1 Kings 8:48: “No matter for whom we are praying, our prayers should be aimed at the interests of God, i.e., at Christ and the church as God’s interests on earth, for the fulfilling of God’s economy.”
