

Week of December 16

Prayer and the Lord's Move

“Ask Me about the things to come concerning My sons, and concerning the work of My hands, command Me.” Isaiah 45:11b

From December 1 through 21, 2012, a special three-week prayer time of the local churches in the Lord's recovery is taking place. We urge as many saints as possible to deliberately separate themselves unto the ministry of prayer during this period of time.

We also pray for the long-term continuation of the ministry of prayer in all the churches for the intercession concerning the world situation and the Lord's move in North America, South America, Europe, Asia, Africa, the Middle East, Australasia, and Israel, for the consummation of this age.

Many resources for prayer are at <http://beseeching.org/> and <http://livingtohim.com/>.

Winter Training

The training in Anaheim is next week. Some video trainings will be simultaneous, some delayed. Ask the Lord to release a rich and operative word and to prepare all the trainees to absorb the word.

College Students

Ask the Lord to keep all the students during their winter breaks. May the break from school not be a break from the Lord!

European Young People's Winter School of Truth

For ten years this school has been held in London. This winter it expands to continental Europe. The two locations are London, December 27 to January 1 and Biezenmortel, Netherlands, December 26 to 31. In both the subjects will be The Triune God and the Person and Work of Christ (ages 11-14) and Knowing and Experiencing Life (ages 15-18).

Life-study Radio in Sweden

Beginning on 10 December Premier Radio, the station that broadcasts Life-study of the Bible in the UK, will begin broadcasting from Uppsala in Sweden (in English) and on prime broadcast times. Please pray for this program to reach and nourish the seeking ones in Sweden.

Turkey

Saints have been meeting in Istanbul for five years. They also have blending meetings with saints from surrounding nations. Their current facility is not sufficient for next year's meetings. Recently they located at 3900 square foot building with a small garden and some parking. They are close to a purchase contract and have one quarter of the total purchase and remodeling cost. Pray for the completion of the contract, the permit for remodeling, and the supply of funds.
