

Week of December 9

Prayer and the Lord's Move

At <http://beseeching.org/> and <http://livingtohim.com/> are

- The Call to Prayer (co-workers' letter)
- Fellowship after message 6 of the Thanksgiving Conference (video)
- Eight Suggested Directions for Prayer
- Twelve Points for Prayer Related to the Lord's Move in North America
- A List of Ministry Publications on the Prayer of the Age (with links to some)
- Links to video and audio messages of the Thanksgiving Conference

The eight points are offered as suggested directions for the prayer of the saints and the churches. These are not meant to be received as a formality or a legality that would limit our prayer in any way. No list of prayer burdens can replace our living contact with the resurrected and ascended Christ, who intercedes on the throne and in our spirit and who alone can supply us with the genuine burden and utterance for our prayer (Rom. 8:26, 34; Heb. 7:25).

“The Spirit also joins in to help us in our weakness, for we do not know for what we should pray as is fitting, but the Spirit Himself intercedes for us with groanings which cannot be uttered.” Romans 8:26

“Who is he who condemns? It is Christ Jesus who died and, rather, who was raised, who is also at the right hand of God, who also intercedes for us.” Romans 8:34

“Hence also He is able to save to the uttermost those who come forward to God through Him, since He lives always to intercede for them.” Hebrews 7:25
