

Week of April 20

Training Registration

The summer training will be the third training on Genesis. Many seeds of the divine truths are sown in Genesis. May we take this opportunity to freshly get into these riches. Let us pray that the indwelling Lord lead many to register this week for Anaheim and for video.

Church in Los Angeles

There will be a joint meeting of the church in Los Angeles Lord's Day, May 11, 10 am at Los Angeles Trade-Technical College (near USC). Let us pray that the Lord release everyone to attend and participate in the reality of one Spirit and one Body.

New FTTA Facility

Pray for the release of permits and skilled laborers, for wisdom to those overseeing the work, and for timely progress in the work on the new facility.

Africa

The traveling brothers' meetings in Africa conclude this Tuesday night when they end the respeaking of ITERO in Ghana. The brothers return later this week.

Pray for the word heard in all the conferences and in ITERO to be digested by all the attendants, to bear fruit in them, and to spread to many others who did not attend.

Colossians 1:5b-6, "the word of the truth of the gospel, which has come to you, even as it is also in all the world, bearing fruit and growing, as also in you, since the day you heard and knew the grace of God in truth."

France

The annual French conference is April 26 to 27 in Paris. Please pray:

- For the new ones who will attend from groups that have been reading the ministry, that the Lord will enlighten them and strengthen them to bring them into more regular fellowship and blending with the saints, so that the Lord can make them the core of new localities in France.
- For the new ones in Paris who have been under the care of the campus team and the saints, that the Lord will speak a word that will bring them deeper into the path of life.
- That all the saints in the French-speaking world will be encouraged to go on in the Lord's up-to-date recovery according to the Lord's present speaking for the fulfilling of His eternal purpose.

Sweden

This weekend there will be a Bible distribution and a seminar for Bible recipients in Sweden.

European University Conference Report

April 11-14 over 200 gathered in Wales for a University Conference. Pray that the speaking from this weekend would penetrate and be constituted into all of the European students. Pray that the students would be empowered to speak the riches that they have to their fellow students. Pray that many final year students would open to the Lord about coming to the Full-Time Training in London.

European Conference Report

Last weekend at the conference in London, 1,012 saints from 32 countries gathered for much blending and enjoyment. Brother Ed Marks spoke to us about the Kernel of the Bible as seen in Genesis, Jeremiah, Job, Matthew, and the New Jerusalem. Pray for this speaking to become the daily experience in all the European saints that the churches would be built up all over Europe.
