

# Week of July 6

## Let Us Be Brought on to Maturity (Heb. 6:1)

Video trainings will occur throughout this month and into August in various parts of the world. Please pray for a rich entrance into God's dream and for a daily opening to the Lord for His transformation and maturing work.

## College Trainings

About 50 saints from various parts in L.A. are attending the west coast college trainings this week at Engedi and Occidental, California. The midwest and east coast trainings are July 14-20. Our topic this year is "The Humanity of Jesus." In particular, please pray:

- 1) For the Lord to speak a sanctifying and preserving word so that the students could have a proper humanity;
- 2) For the students' learning to spend personal time with the Lord, blending with each other, and picking up a burden for sinners' salvation;
- 3) For every student, especially the incoming college freshmen, to have the Lord's personal appearing and to consecrate themselves fully to the Lord;
- 4) For health, safe travel, and the binding of the enemy's attempts to frustrate and/or distract students from attending the whole time and being focused completely on the Lord.

## Summer School of Truth

The Summer School of Truth in Los Angeles will be July 18 through 26. Meals will be in districts; meetings will be in hall 5. Sign up at <http://www.churchinlosangeles.org/ssot/>.

This summer we seek to learn, to appreciate, and to enter the enjoyment of God's full salvation. We also pray for increase in the involvement of more parents and for increase participation of our young people in a continuing, vital, house-to-house church life, both in their own homes and in other homes. Please pray for this.

## Bibles for America

Over 13,000 people have ordered BfA's new free book, *A Life Full of Forbearance but without Anxiety*, since its release in early May. Praise the Lord for this opportunity for so many to be introduced to the precious ministry available in *Life-study of the Bible*. Please pray that:

- The recipients would read and enjoy this sample of the Life-study messages.
- This taste would cause many to appreciate the ministry of Witness Lee and to seek out the full *Life-study of the Bible* and other ministry books by Brothers Nee and Lee.

## Germany

Currently, a couple in Frankfurt is opening their living room in a rented two-bedroom apartment for 20-25 adults and 8 children to meet on Lord's Day. There is now not enough room to fit more into the meeting. The coordinating ones in Frankfurt have been trying to rent a bigger meeting place for the Lord's Day meeting, from schools, offices, etc., and have not yet been successful. Please pray that the Lord will provide a suitable meeting place and will also provide the finances to support the renting of such a place.

## Nepal

This week Wednesday through Friday there is a young people's training in Nepal (a nation of 31 million people between India and China).
