

# Week of June 28

## Drink from the Fountain of Living Waters

“For My people have committed two evils: they have forsaken Me, the fountain of living waters, to hew out for themselves cisterns, broken cisterns, which hold no water.” (Jer. 2:13)

Jeremiah, a book full of speaking concerning Israel’s sin and God’s wrath, chastisement, and punishment, reveals that God’s intention in His economy is to be the fountain, the source, of living waters to dispense Himself into His chosen people for their satisfaction and enjoyment. The goal of this enjoyment is to produce the church, God’s counterpart, as God’s increase, God’s enlargement, to be God’s fullness for His expression (John 3:29-30; Eph. 3:16-19, 21). This is the heart’s desire, the good pleasure, of God in His economy (Eph. 1:5, 9; 3:9-11). (Jer. 2:13, footnote 1)

## Semiannual Video Training – Jeremiah and Lamentations

Thank the Lord that the number from LA attending this training is much larger than previous trainings. Pray for the release and receiving of the word in the messages, fellowship times, and testing. Pray also for more blending of the halls in LA during these meetings, and for many additional saints to join the open meetings.

## North America College Training

The North America College Training will take place online from July 10 to 18. The topic is “Samuel the Nazarite.” We believe that in the midst of the upheaval in the world situation, the Lord will speak a special word to this generation of college students to be today’s Nazarites, separated and consecrated unto the Lord, to meet His need. Please pray for all the outward arrangements and inward preparation.
