Enjoying Christ as the Real Jubilee

“The Spirit of the Lord is upon Me, because He has anointed Me to announce the gospel to the poor; He has sent Me to proclaim release to the captives, and recovery of sight to the blind, to send away in release those who are oppressed, to proclaim the acceptable year of the Lord, the year of jubilee.” (Luke 4:18-19)

“...Today this Scripture has been fulfilled...” (Luke 4:21)

Christ has already come, so the age of jubilee is here, but we do not have the jubilee in us unless we have allowed the Lord Jesus to come into us...Even if we have believed into Christ and have allowed Him to come into us, unless we allow Him to live in us and unless we live by Him, we are not practically living in the jubilee. If we live by Christ in a certain matter and allow Him to live in us, we enjoy jubilee in that matter. In this way everything pertaining to that particular matter is to our satisfaction. (*CWWL*, 1984, vol. 4, “The Jubilee,” pp. 7, 10-11)

The living of the jubilee is a living in the enjoyment of Christ, a living of enjoying God as our inheritance and real freedom. The living of the jubilee is a life in which we take God Himself, Christ Himself, in every situation; then He becomes the primary factor and center in us to overrule all the troubles of human life. Because everything is under His sovereignty, we should pray, “Lord, fill me, gain me, and possess me; no matter what my outward situation is, I just want to enjoy You.” We need to be today’s ministers and witnesses by living and proclaiming the gospel—Christ as the jubilee of grace—for the accomplishing of God’s eternal economy. (*Experiencing, Enjoying, and Expressing Christ (1)*, msg. 5, IV.F, 1-2)

United States

“Immediately I was in spirit; and behold, there was a throne set in heaven, and upon the throne there was One sitting.” (Rev. 4:2)

Pray that the saints would see a vision of the throne as the center of God’s administration and that they would know that the heavens do rule in the midst of the present world situation.

“I exhort therefore, first of all, that petitions, prayers, intercessions, thanksgivings be made on behalf of all men; on behalf of kings and all who are in high position, that we may lead a quiet and tranquil life in all godliness and gravity. This is good and acceptable in the sight of our Savior God, who desires all men to be saved and to come to the full knowledge of the truth...” (1 Tim. 2:1-4)

Pray concerning “kings” and all who are in high position at every level of government, that we may lead a quiet and tranquil life in all godliness and gravity and that men may be saved and come to the full knowledge of the truth.

Semiannual Training Live Registrations

This Thursday, October 31 is the firm deadline for saints in LA and Santa Clarita to register for the upcoming in-person December Semiannual Training in Anaheim (\$205). Video training registrations will be due later on December 8 (\$130). To register, go to tinyurl.com/wintertrainingla.

May the Lord grant us to highly value the semiannual trainings and encourage one another to have a heart for these trainings, and may the Lord grace us to bear the burden to pray for the semiannual trainings so that He as the seven Spirits of God may have an unhindered way to continue to speak the present truth to the churches.

North & South America Korean-speaking Conference

This weekend, there will a blending conference for Korean-speaking saints in both North and South America. The subject is “Living in the Reality of the Kingdom of God.” The two conference sessions are Saturday, November 2 from 5:00 to 6:30 pm and Lord’s Day, November 3 from 9:00 am to 12:30 pm PST. SoCal College Conference

This weekend, November 1 to 3, college students from mostly semester system schools will gather at Oak Glen for the first of two college conferences. We will be covering the topic of “The Wonderful Jesus in Matthew and Mark.” From LA, we have 15 students from the downtown area (mostly USC students) planning to attend. Among these ones, many are very new and need much prayer! Please pray:

- For the Lord to unveil Himself to each student in a very personal and fresh way.
- For the students to come forward to Lord, leaving behind all other concerns and distractions, as they sing, fellowship, and listen to the messages.
- For the shepherding and feeding of the newer students, including a good number who need to get transferred out of Satan’s kingdom and into God’s kingdom through baptism!

The Lord’s Move in French-speaking Europe

“Another Angel came and stood at the altar, having a golden censer, and much incense was given to Him to offer with the prayers of all the saints upon the golden altar which was before the throne.” (Rev. 8:3)

Christ (the Angel, cf. Rev. 7:2, note 1), through the intercession at the incense altar, manages the universe. This intercession is the corporate Christ including “the prayers of all the saints.”

The seed of the Lord’s present move in French-speaking Europe was sown in 2021 when a small group of saints began to pray for the Lord to have a breakthrough in gaining more people and for more lampstands in French-speaking cities. These saints had no plan for a work but they were not content to have the situation remain the same. They met to pray a number of times every week; they did not discuss what to do and were not even considering the Olympics; they simply prayed.

Then the Lord began to move by bringing together co-workers from France, UK, Germany, Spain, and Poland for days of prayer and fellowship. The Lord erased all the boundaries. The fellowship and coordination became the reality of the Body of Christ! The result in this year was beyond what we could ask or think.

Beseech the Lord to continue what He has done, to bless the current shepherding labor, to strengthen the churches, and to raise up new churches in French-speaking Europe.

Expansion of the Lord’s Move in Europe

Petition the Lord to spread the lesson of prayer and coordination from France to expand His move to reach all of Europe!

Ukraine and Russia

Please pray concerning the ongoing war, that the Lord will protect the tripartite being of all the saints and will rule in the heavens over every aspect of this situation for the advance of His economy on earth.
